NOTICE INVITING TENDER

e-Government Procurement (e-GP)

TENDER NO. :LSGD/CELSGD/TR/42621/2026_5_1_1/1

The Assistant Engineer Local Self Government Department, (LSGD)O/o Office of the Assistant Engineer ,LSGD Section Pampakkudafor and on behalf of the Governor of Kerala invitesonline bids for the work detailed below from the Registered Bidders of Kerala PWD or from any State or Central Government Engineering Departments which are having similar functionalities like Kerala PWD.

1	Name of Work	Annual Plan-Pampakuda Gramapanchayath 2026-27 project -83/27 Construction of Retaining Wall For Onakoor Anganwady, Pathway-General Civil Work
2	Location of Work	Ernakulam
3	Estimated Cost of Work	Rs.357862/-

4	Brief Description of Work	The estimate for the work “Construction of Retaining Wall for Onakoor Anganwadi Pathway – General Civil Work” under the Annual Plan 2026-27 of Pampakuda Grama Panchayath was verified with reference to the site conditions and the provisions included in the estimate. On site inspection, it was observed that a considerable number of children are attending the Anganwadi. In connection with the widening of the access pathway to the Anganwadi, earth had to be removed adjacent to the compound wall of the neighbouring property. Though no immediate structural instability was noticed at present, the exposed edge may pose a safety risk to the children using the pathway in the future. Hence, protection and retention of the pathway portion is necessary. It was further observed that the rear and side portions of the Anganwadi premises are situated at a lower level. If these portions are not adequately protected, soil erosion and land slippage may occur over a period of time, which could adversely affect the stability and safety of the Anganwadi building. The estimate provides for the construction of a CC retaining wall along the pathway and side portions of the Anganwadi premises to retain the earth and ensure the long-term safety of the access way and the building. The quantities and provisions included in the estimate are found reasonable and are in conformity with the site requirements. In view of the above, the estimate amounting to 4,22,300/- (Rupees Four Lakh Twenty Two Thousand Three Hundred only) including GST and cost index
5	Bid Security	Rs.8947/-
6	Bid Submission fee (Tender fee)	790+(0)GST
7	Period Of Completion	0 Days 6 Months 1 Years
